

First Aid in Schools

I would like to wish you All a Happy and Healthy 2012

Once again it has been a pleasure to work with you all. It is always great to have your excellent feedback on our trainers and training. We hope to be adding some of your comments to our website in the near future.

Hands Only CPR for those with NO Training.

You may have seen on TV and in the press that the British Heart Foundation [BHF] has issued guidelines for members of the public who **do not** have First Aid Training.

This is the advert with **Vinnie Jones** doing CPR to the tune of **Staying Alive**.

In line with current practice this recommends calling **999** and carrying out **compressions only** if you have **not** done a course. It is better than doing nothing **BUT** in line with the Resuscitation Council UK and the BHF we will continue to offer the **Gold Standard full CPR Resuscitation** training for all our courses.

Should you wish to display our guidelines for the "untrained" you can download our A4 guidance poster from the website or email us for a copy.

Our **Hertfordshire County Council approved Paediatric courses** are as popular as ever, with some courses filling before we can upload them to the website. Although it is the course **required by OFSTED for EYFS** it is **appropriate for all children regardless of age.** The Paediatric Certificate lasts for 3 years when it must be renewed by attending a full 12 hour course again. At just £65 + VAT it is very good value.

Would you consider **hosting a Paediatric course for your local schools?** Maybe, but is it a complication and what would that involve? We need a room/hall large enough for practical activities, a minimum of 9 delegates and we'll do the rest. We can advertise it on the website for you, book the staff on to the course, invoice them direct and keep you informed.

If you get 10 people for the Paediatric courses we will give you a free place and if you get 20 then 2 free places. It is a good way to save when budgets are tight.

We currently have **places available** on 3 courses at Peartree School in **Welwyn Garden City 21st & 28th February, 19th & 26th April and 23rd & 24th May**

NEW –places at **Great Gaddesden 2nd & 9th February**
